

## EXECUTIVE BIOGRAPHY

# Justin Hartland

CSC's global director of Products for the Digital Brand Services division, Justin Hartland, has spent more than 20 years in the domain name and brand protection industry and brings his wealth of knowledge to CSC clients. Justin focuses on ensuring that CSC provides market leading products and solutions to our global client base.

Prior to working in Product Management, Justin served in various roles within the Account Management and Marketing Teams at CSC, and is a thought leader and regular contributor to CSC's blog and other industry leading news outlets.

Justin is based in London, UK, has a BSc in geography, and is an associate member of the Chartered Institute of Marketing.
