

## EXECUTIVE BIOGRAPHY

# Mark Calandra

Mark Calandra is a 20+ year veteran in the corporate domain management and brand protection industry, and is the president of the Digital Brand Services division of **CSC**, the largest global corporate domain name registrar providing domain, DNS, and digital certificate management and security, fraud, and brand protection solutions.

Mark oversees the division's vision, growth strategy, and development and is responsible for all global operations. Prior to leading the DBS business for the last 15 years at CSC, Mark served as vice president of business development at Mark Monitor for four years, and held various business development, marketing, and brand management roles at Register.com and Schering-Plough Corporation.

Mark is a graduate of Bucknell University and received his MBA from Columbia University in New York, NY.
