

EXECUTIVE BIOGRAPHY

Nina Hrichak

Regional Director, DACH, Italy, and Eastern Europe, Digital Brand Services

Nina is the regional director for the DACH region, Italy, and Eastern Europe for **CSC's** Digital Brand Services division. She's based in our Wiesbaden, Germany office and has been an instrumental part of the CSC team for more than 10 years.

Nina oversees all regional activities, strategic account management and business development in the market. She's passionate about helping companies protect and promote their brands in the most efficient and secure manner, and is an expert in digital asset management, brand protection, and cyber security.

Nina holds a bachelor's degree in international business from the Manchester Metropolitan University, and a master's in international management from the University of Savoy Mont Blanc.
